SOUTH VALLEY SEWER DISTRICT  
P.O. Box 498  
Pleasant Grove, Utah 84062

AMOUNT PAID:

\$
----

### **Change of Address**

The property owner (as shown on the records of the County) is responsible to pay all fees and charges on the billing statement. If there is a change in ownership, the property owner shall notify the District of any change in ownership within 15 days. If an owner fails to make a request for a refund of a credit balance within sixty (60) days after a change in ownership, the District will retain the credit balance to compensate the District for administrative costs incurred to investigate the ownership of the property.

### **Return Check Fee**

A \$20.00 fee will be assessed on all return checks, plus any additional fee as allowed by law.

### **Interest and Late Fees**

The District will charge simple interest on any past due fee or charge at the rate of 18% per annum (1.5% per month). Interest will be compounded annually. The District will also charge a one-time administrative fee equal to 8% of any past due fee prior to certification.

### **Certification**

Any account more than two month delinquent may be certified with the County Treasurer for collection with your property taxes. Any amount certified becomes a lien on your property. No advance notice will be provided prior to certification, other than your monthly billing statements stating the past due amount.

### **On-line Payments**

The District has entered an agreement with "Xpress Bill Pay" to process on-line payments without charge to District patrons. You will find Xpress Bill Pay on the District's web site. There may be other entities that advertise a payment service. If you utilize any other service, you may be required to pay a fee, and the District makes no assurance that the payment will actually be received by the District or that the payment, if received, will be timely.
